

Residency Standards

Twenty20 Mad Apartment Homes

Thank you for your application! To assist you with your decision on your new home, we are providing a list of guidelines used to qualify applicants for residency in our communities. Nothing contained in these requirements shall constitute representation by Quarterra that all residents and occupants currently residing in our community have met or currently meet these guidelines.

Quarterra utilizes a 3rd party vendor, VERO, to conduct our background screening. Please allow up to 3 business days for their review to be finalized.

Qualification standards include but are not limited to the following criteria.

We do not accept Reusable Tenant Screening Reports. Qualification standards include but are not limited to the following criteria.

INCOME. Prior to final approval, all income must be verified. The gross monthly income of all Leaseholders will be considered jointly (combined) and must equal no less than two and a half (2.5) times the monthly rental rate of the apartment. We will accept bank statements, payroll checks, and other verifiable income documents to include but not limited to the list below. We may accept cash applications such as Venmo and Zelle. Bit Coin, and other cryptocurrencies are not verifiable at this time, therefore not acceptable.

Applicants who are pre-approved for the MFTE program - The gross monthly income of pre-approved applicants for the MFTE program must equal no less than two (2) times the monthly market rate of the MFTE apartment home. Applicants with Section 8 vouchers will be qualified based on a calculated formula provide by the Seattle Office for Civil Rights.

Examples of verification: If you are paid a monthly bonus, we would like to see a pattern of that frequency in the form of a minimum of 2 paychecks. If you receive a quarterly bonus, we will need to verify with a minimum of 2 quarters of paychecks. If overtime is being considered, it will be averaged from your YTD total for the entire year.
