

Residency Standards

19th and Harrison Apartment Homes

Thank you for your application! To assist you with your decision on your new home, we are providing a list of guidelines used to qualify applicants for residency in our communities. Nothing contained in these requirements shall constitute representation by Quarterra that all residents and occupants currently residing in our community have met or currently meet these guidelines.

Quarterra utilizes a 3rd party vendor, Vero, to verify income documents and to complete the background screening. If applicable, please allow 1-2 business days for their review to be finalized. Qualification standards include but are not limited to the following criteria.

IDENTIFICATION. Each applicant that is 18 years of age or older, or an emancipated minor with written proof of legal emancipation, must complete an application and be qualified in accordance with these residency standards. All applicants are required to provide a valid government-issued photo ID at the time the application is submitted. The identification will be compared against identifying information on the application, any similarities/differences noted, and the identification will be immediately returned to the applicant. We will not keep a copy of any picture ID unless the application is approved (except for military ID's), and a lease is signed. As part of our Screening process, we verify and validate applicant identities. We attempt to complete this process electronically based on the name, address, date of birth and other identifying information.

INCOME. Prior to final approval, all income must be verified. The gross monthly income of all Leaseholders will be considered jointly (combined) and must **equal no less than 2.3 times the monthly rental rate of the apartment.** Applicants with Section 8 or VASH vouchers or other federal, state, or local public assistance or rental subsidies will be income evaluated based only on the applicant's share of the stated monthly rent, rather than the entire rental amount. We will accept all lawful, verifiable income paid directly to a resident or to a representative of a resident or paid to a housing owner or landlord on behalf of a resident, including federal, state, or local public or rental assistance, and federal, state, or local housing subsidies.

There are a few ways to verify income with VERO.

- 1) **By connecting to an employer or payroll provider, AND/OR**
- 2) **By connecting to a bank account AND/OR**
- 3) **Uploading a W2 or 1099**

This is the quickest way to an income verification!

If you cannot link to an employer or to your banking institution, the following substitutes may suffice:

If Employed- provide one of these or more if needed to show appropriate income to rent ratio (2.5 times the monthly rental amount)

- We require your 2 most current personal bank statements showing paycheck deposits; AND your 3 most current paychecks.

If additional funds are needed to qualify for income, irregular income such as gratuities, commissions, bonuses, etc. will be considered as long as we can verify it. Examples of verification: If you are paid a monthly bonus, we would like to see a pattern of that frequency in the form of a minimum of 2 paychecks. If you receive a quarterly bonus, we will need to verify with a minimum of

2 quarters of paychecks. If overtime is being considered, it will be averaged from your YTD total for the entire year.

If you are an applicant who is starting a new job, but has not yet been paid, you must provide both of these to prove up the rent to income ratio of 2.3 is met:

- You may provide a copy of an official offer letter for employment. The letter must indicate a start date within 45 days of the expected move-in date.
- If this is a first job and you have no direct employer deposits, a member of the office team will verify your position and salary with a company official from your new company.

If you are self-employed, not employed, or retired, we will accept one of the following as proof of income:

- Your 2 most current bank statements
- Tax return- The previous year's tax return
- Must provide the previous year's personal income tax return AND the most recent 2 months of personal bank/financial statements as evidence of sufficient income of at least 2.3 times the rental amount for six (6) months. Example: if the rental amount is \$2,000, you'd multiply this by 2.3= \$4,600, and then by 6 months (\$4,600x 6). You are required to show an average balance of \$27,600 per month.

Statements must be in PDF format or have a URL (if printed from online.) If unable to provide PDF or URL, an official bank stamp provided by the financial institution will suffice.

As a supplement to income, Applicants may also provide any Alternative Sources of Income if the documents are verifiable and lawful. Examples of Alternative Sources of Income include, but not limited to the following. Benefits letters must be dated no more than 14 months from the date of application.

- A Social Security Benefits Letter, SSA-1099: Social Security Benefit Statement, or an SSA Notice of Change in Payment

The guarantor must pay an application processing fee and sign a Guarantor Addendum. The gross monthly income of a Guarantor must be equal to or more than four and one half (4.5) times the monthly market rental rate of the apartment. The above-mentioned income verification will also apply to guarantors.

- A Guarantor living outside of the US must have a Social Security Number, a US bank account, and meet all credit and income requirements.
- A Guarantor must have an approved credit score.
